

JANE.M DESIGNS

Fashion Brand Turnaround Playbook

90-day strategy, operating model, campaigns, pricing, sales process and execution tracker

Turnaround thesis

Jane.M must move from a talent-led creative presence to a commercially disciplined fashion business: clear offers, visible prices, WhatsApp sales office, proof, campaign rhythm, deposits and weekly KPI control.

1. Strategic objective

In 90 days, convert Jane.M from a content-led fashion page into a visible, trusted, order-generating women's apparel business with clear offers, repeatable campaigns and predictable weekly sales activity.

Metric	90-day target
Qualified inquiries	20-40 per week
Paid orders	5-10 per week
Quote-to-deposit conversion	30%+
Average order value	M900+
Late deliveries	0
Referral orders	2+ per week

2. Positioning

Brand promise

Elegant, feminine, made-to-measure outfits for Basotho women who want to look special without looking ordinary.

Brand lane	Meaning
Elegant	Premium finish and graceful silhouettes, not random sewing.
Feminine	Designs that make women feel beautiful and confident.
Event-ready	Graduations, weddings, church, work events and bridal parties.
Custom but accessible	Made-to-measure, but packaged into clear tiers and lead times.

3. Offer architecture

Signature line	Target customer	Commercial role
Graduation Belle	Graduates and families	Immediate campaign opportunity
Wedding Guest Queen	Women attending weddings/lobola	High-volume seasonal line
Sunday Best / Church Lady	Church and event women	Stable monthly orders
Office Elegance Set	Professional women	Repeatable capsule line
Seshoeshoe Modern Muse	Heritage-conscious buyers	Differentiation line

4. Pricing and deposits

Tier	Price range	Includes
Simple	M450-M750	Standard fabric, clean finish, limited changes
Premium	M800-M1,500	Better fabric, lining, fitting and detail
Luxe	M1,800-M4,500+	Statement pieces, priority production, premium finish
Ready-to-wear	M250-M650	Pre-made, no custom changes

Order type	Deposit policy
Normal custom	60% deposit, balance before collection
Rush order	80% deposit, balance before collection
Bridal/group	50% deposit, 30% after fitting, 20% before delivery
Ready-to-wear	100% upfront

5. Target market priorities

Segment	Need	Message
Graduates	Unique and memorable look	Your graduation look should be remembered.
Wedding guests	Stand out respectfully	Never basic at a wedding.
Bridesmaids	Coordinated looks and deadline control	Beautiful bridal party looks without stress.
Church women	Modest elegance	Elegant outfits for women of grace.
Professional women	Polished wardrobe	Workwear that still feels feminine.
Diaspora Basotho	Cultural-modern pieces	Modern Basotho elegance, wherever you are.

6. Sales funnel and WhatsApp operating model

The buying path should be simple: Content -> Inquiry -> Catalogue -> Quote -> Deposit -> Measurements -> Fitting -> Delivery -> Testimonial -> Referral.

WhatsApp feature	Configuration
Catalogue	Signature pieces with price-from ranges
Quick replies	Pricing, lead time, measurements, deposit policy
Labels	New lead, quoted, deposit paid, production, fitting, collected
Auto greeting	Ask for event date, outfit type, colour, budget and inspiration
Broadcasts	Past clients, prospects, graduation campaign, wedding season

7. Campaign plan

Campaign	Offer	Execution
Graduated Designer, Dressing Graduates	Graduation dresses from M650	Use her graduation story, friends discount, photographer partners
Never Basic at a Wedding	Wedding guest dresses from M850	Reels, client proof, wedding season countdowns
Sunday Best Elegance	Church/event outfits	Monthly drop before salary weekends
Corporate Woman Capsule	3-piece workwear capsule	Target banks, telecoms, NGOs, government and universities

8. Partnership playbook

Partner	Action	Commission
Photographers	Refer graduation/event clients	5-10% on paid deposits
Makeup artists	Dress + makeup bundle	5-10% on paid deposits
Salons	Display lookbook / QR card	Referral incentive
Wedding planners	Bridal party package	5-10% on paid deposits
Universities	Student ambassador or pop-up	Discount or commission
Women groups	Showcase church/corporate line	Group discount

9. Operations and quality control

Control area	Standard
Capacity	Define weekly slots for simple, premium, group and rush orders
Order control	No cutting without deposit and signed order form
Fitting	Book fitting date at deposit stage
Quality gate	Fit, seams, lining, pressing, packaging and final photo
Admin	Separate inquiries/follow-ups from sewing work
Delivery	Balance paid before handover

10. 90-day roadmap

Phase	Focus	Deliverables
Days 1-7	Commercial reset	Brand bio, price guide, catalogue, WhatsApp setup, testimonials
Days 8-30	First campaign	Graduation launch, ad test, referral partners, daily CTAs
Days 31-60	Scale proof	Wedding campaign, influencers, pop-up, client testimonials
Days 61-90	Systemise	Ready-to-wear drop, corporate capsule, production dashboard

11. First 7-day checklist

- Choose final brand name and bio
- Create 5 signature designs
- Publish price guide with “from” pricing
- Set WhatsApp Business catalogue and quick replies
- Collect 10 testimonials/photos
- Post graduation campaign announcement
- Contact 10 referral partners
- Run first M300-M500 boosted post
- Start inquiry / quote / deposit tracker
- Hold first weekly KPI review

12. Weekly management routine

Day	Routine
Monday	Review previous week: inquiries, quotes, deposits, delivery issues
Tuesday	Follow up all unpaid quotes
Wednesday	Post client proof or transformation
Thursday	Push price/package post
Friday	Campaign CTA and urgency post
Saturday	Collect testimonials and pickup photos
Sunday	Plan next week's content and production schedule
